ZONDERVAN, United States, 1984. Paperback. Book Condition: New. 196 x 132 mm. Language: English . Brand New Book. This volume provides the complete text of key Scripture passages that form the basis for theological study. The text used is the highly readable and modern New International Version. The verses listed are grouped by the classical categories of systematic theology (e.g., God, Christ, Salvation); on disputed points, verses from which the major theological views derive are given. Footnotes provide clarification and brief commentary on verses as appropriate. This work is intended to assist the theological student who might not take the time to look up the verses cited in systematic theologies, but it will also be useful to anyone seeking to better understand the major themes of Scripture.
