

Alibis: Essays on Elsewhere

Filesize: 7.54 MB

Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Picador, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Praise for Call Me by Your Name : "Aciman . has an ability to make the finest, the tiniest and most convincing distinctions between moods, responses, and registers. Everything is watched as it shifts and glitters and then hesitates and maybe is shadowed over . This really is fiction at its most supremely interesting; every clause and subclause shimmers with a densely observed and carefully rendered invention that seems oddly and delightfully precise and convincing . There are many layers and levels in this story." Colm Tibn, The New York Review of Books Praise for Alibis : "From the acclaimed Egyptian-born author, gorgeous musings on longing and memory fueled by travel. A virtuoso in literary criticism, memoir and fiction (Eight White Nights , 2010, etc.), Aciman revisits themes that have obsessed him since his youth growing up in Alexandria, when he and his family were waiting for years for visas to migrate to Europe, then the United States. Anticipationand all the longing it heldproved the ideal, romantic, satisfying state, rather than the actual delivery. For example, longing for America all those years proved much more delicious and lasting than the actual naked reality of living there. In each essay, Aciman elegantly palpates these themes of place and displacement ('dispersion, evasion, ambivalence'). In 'Lavender,' the myriad scents of aftershave he will discover over the years mark milestones in his life, but hark back essentially to the first, significant scent of his father's lavender aftershave. Initiating his young sons into the memories of his youth, in 'Intimacy,' involves taking them back to Via Clelia in Rome, where the author 40 years before lived in limbo with his family for three years while waiting for their...
