*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.*

Hohm Press,U.S. Paperback. Book Condition: new. BRAND NEW, Nos Gusta Movernos: El Ejercicio Es Divertido, Elyse April, Regina Sara Ryan, Diane Iverson, Text in Spanish. Ages 4-8. A children's picture book with upbeat, rhyming text and brilliantly-coloured illustrations of young children engaging in many different forms of physical activity. The book presents multicultural characters -- including African, Hispanic, Caucasian and Asian children and adults -- and varied locales, from a busy city street scene to a country landscape. Each child shown is joyfully engaged in movement, demonstrating both the physical and the emotional health benefits of exercise. WE LIKE TO MOVE conveys the message that exercise is fun, and a normal part of the life of a human being. The text and illustrations suggest that movement may be spontaneous as well as organised through sports; and that it is for everyone, from every age, gender, culture and walk of life. Even children or adults with physical handicaps can participate in some types of movement.
