Reviews

Good e-book and useful one. It typically does not expense an excessive amount of. I am just delighted to tell you that this is basically the finest book we have read during my very own existence and could be he best ebook for actually.

(Audra Hodkiewicz)

HELLBURNER

Little, Brown Company, United States, 1993. Paperback. Book Condition: New. Reprint. 168 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.Lt. Ben Pollard thinks he's traded the perils of the Belt for security as an Earth-based computer jockey for United Defence Command. Then he's forced to perform a mission of mercy - and lands on an isolated, intrigue-riddled space station. In *Hellburner*, her newest novel, Hugo Award winner C. J. Cherryh returns to the best-selling universe of *Heavy Time*, *Cyteen*, and *Downbelow Station*, and creates a story of multi-global conspiracy, power politics, and military in-fighting. Here the stakes are nothing less than the future of humanity. When Pollard finds himself stranded on the Sol II battle installation without his orders, I.D., and possessions, he discovers something equally disturbing. He's been named next-of-kin to a man he never wanted to even see again: Paul Dekker, a young pilot who attracts crises like dead flesh draws flies. The centerpiece of a top-secret war project, Dekker has just lost his entire crew in a mysterious freak accident and lost his mind to amnesia from an attempted suicide. Or attempted murder. Suddenly two more faces from Dekker and Pollard's past are shanghaied to Sol II: their occasional lovers, renegade pilots Meg Kady and Sal Aboujib. Together they had once smashed the criminal cover-ups of a mining cartel. Now, they're all caught in a shadowy, deadly maze of power-mongering rivalries between UDC and Fleet Strategic Operations, the Senate and Peace Lobby, and the corporate lords of both Earth and Mars. In this subtle, dark contest with mysteries that deepen by the hour and rules that change without warning, Pollard, Kady, Aboujib and Dekker must survive kidnapping, sabotage, ambush, riots, kangaroo courts, conspiracy, and treason -...
