Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The eye-openers begin on page 1 of Son of Siena, where Roberto muses, I could not help but think what the world would be like if I did not help Italy and Germany win World War II. Thus begins the ride of a lifetime-and what a life! That life begins and ends in Siena, Italy, and winds through America and Europe at crucial moments of history during both World Wars and their pre- and post- periods, with an influence that spreads throughout the world like tentacles. Yes, those tentacles are ominous but the creature that possesses them is also blessed with great lights that pervade the entire book. What in this world seems more worthy of his attention, and how will he use it to achieve his grand desires? Will he be pleased with the results? In finding the answers to those questions, you will be joining Roberto and a fascinating assortment of supporting characters; and be blissfully exposed to an astonishing array of historical facts that both broaden and deepen a spiritual and intellectual odyssey undertaken by a Son of Siena. Beginning in 1896 Italy, the first half of the story flows through the history and relationships that shape Roberto's life. During these unaltered historic events, the main character eventually accumulates great wealth. After a seminal event changes Roberto fundamentally, he decides Italy needs to be the greatest of the great powers rather than the least. As Roberto...
