Two years ago, he was at the height of his career as Nicky Star, fashion model, porn actor, partier without peer. Then came the accident. Hiding his scars, both emotional and physical, he s gone into hiding. But fine clothing is some solace. A new suit by Debussy? Better even than a ride on his motorcycle Hulk or all the things he used to give and take on camera. Enter Leslie Scott, the flamboyant, dark-haired, heel-and-tiny-short-wearing twink sent to deliver Oliver s newest fix. A firecracker, Leslie is dapper, generous, in touch with his feminine side but all man, and as gorgeous as any garment ever made. He makes Oliver dream of ending his reclusion, of recapturing a future forever denied him. But for that to happen, Leslie would have to strip him to the bone. Only then will they rebuild life from the bottom up.
