Mittal Publications, New Delhi, 1993. N.A. Book Condition: New. X+164pp Human beings are a resource to an organisation and their development and utilisation requires skilful management. Human resource management is a very complicated and challenging task. This area of management has gained importance since professionalisation of management is now regarded as a must for successful running of an industrial enterprise. The importance of personnel management is being increasingly realised in industrial organisations both in India and abroad. In managing personnel the role of welfare activities cannot be overemphasized. The present book deals with the personnel management, personnel problems and labour welfare in Cotton Textile Industry in Rajasthan.
