

A Roving Eye: Head to Toe in Egyptian Arabic Expressions (Hardback)

By Mona Ateek, Mona Kamel Hassan, Trevor Naylor

The American University in Cairo Press, Egypt, 2015. Hardback. Book Condition: New. 176 x 158 mm. Language: English . Brand New Book. No matter where we come from, we all have our unique local expressions and proverbs that raise confused eyebrows when translated literally. These phrases usually carry humor and wisdom at their core, but are only fully understood in their native language. *A Roving Eye* explores some of these phrases and sayings from one of the world's most expressive tongues, Egyptian Arabic, the most widely spoken form of Arabic. Including some one hundred popular phrases and proverbs, all linked to parts of the body and features of the face, *A Roving Eye* uses striking black-and-white photography to bring these expressions to life. The result is a book that will delight both learners and native speakers of Arabic, as well as lovers of Egypt who have little knowledge of the language. Each phrase or saying features a photograph, the original expression in Arabic, its transliteration, and its equivalents in English (both literal and proverbial). The whole book makes a perfect gift or a fun read for family and friends.
