Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 205 x 130 mm. Language: English . Brand New Book ***** Print on Demand *****.Aptly named My Way, this book will take you simply and easily through each step that I took in order to get my book Wrong Place Wrong Time to the #1 spot in True Crime on Amazon's USA chart. If you're a newbie, or if what you've been doing just isn't working, I'm hoping this book will help you to get the recognition you deserve. It's written in a very easy to read style with no technical words, no assumptions and no need to research anything I discuss in order to understand it. Everything is explained fully, and written in its most basic form. I don't tell you what to do, I show you how I did it. I also provide examples of what I continue to do, as well as links to wonderful people who will help you in your journey. If you're not a social media guru, if you're someone who perhaps knows that you should be using Twitter and Facebook and other social media platforms, but aren't entirely sure how you should be using them or what you should be saying, then this book is for you. However, if you already know what you're doing and are just looking for the secret to having a bestselling book, you'll be disappointed. There is no secret. My Way is quite simply a story. It's the journey I took from the unknown to the acknowledged; from being in the abyss of the Amazon charts to making my way to the top.
