Russell Enterprises. Paperback / softback. Book Condition: new. BRAND NEW, The International Chess Congress St. Petersburg 1909, Emanuel Lasker, Tim Harding, One of the Great Chess Tournaments of All Time! The Famous Tournament Book by the Second World Chess Champion The International Chess Congress at St. Petersburg was the premier event of 1909, by far the strongest chess competition held that year. Even today, St. Petersburg 1909 ranks high on any list of top tournaments, a trial of skill which produced more than a few "anthology" games. In February 1909, nineteen of the world's best chessplayers gathered in St. Petersburg to play in one of the most famous tournaments in chess history. World Champion Emanuel Lasker topped the list of competitors, which also included Akiva Rubinstein, considered by many to be Lasker's likely successor, Carl Schlechter, who would play one of the most infamous matches against Lasker a year later, and many other of the "greats" of the era Spielmann, Bernstein, Teichmann, Mieses and Tartakower, to name but a few. This is the official tournament book available for the first time in English in algebraic notation written by Emanuel Lasker. He annotated all 175 games in the clear, instructive style that would become his trademark. The great 1909 International Chess Congress has long since taken its place among the greatest chess tournaments of all time. Now you may experience this 21st-century edition of Lasker's terrific tournament book.
