Dusty, Brandi and Alexis liberated their magical Shards of Athenia for a reason. Soon after surviving a series of attacks on their way to a Cape Cod vacation, they learn about a universal kidnapping scheme by their old nemesis Lord Murkar. Although they try to thwart Murkars campaign by disrupting a witchs plans, they are assailed by attacks including an insidious whirlpool spell. Further confrontation can eliminate the immediate threat, but could ignite a chain-reaction that will tear the universe apart. As the kids try to rally friends to help them, many are missing. And Murkar intensifies the crisis with an ultimatum: either the Shards of Athenia are his within 10-days or the cornerstone of the universe, the Amulet of Creation will perish, destroying all of humanity. Unknown to all, a psychic group from a little known planet has its own solution to averting a universal disaster. This item ships from La Vergne, TN. Paperback.
