This is the second book of Stryders Odyssey, a SciFi / Fantasy series. The ARK starship known as SolStar has been found and we begin to learn of its secrets. A failed attempt by the Order to take control of the ship has instigated the Council Directive. The starship's course is set. The vessel will visit each of the nine colonized planets and will not proceed without the relevant council representatives being onboard. But the next planet is not as expected. When the shuttle attempts to land the onboard systems fail and a grand sailing adventure to the northern kingdoms must be undertaken to prevent the Order from achieving its goals. However help is available in the most unlikely of places. [Ver 1-223] .and did I tell you there be Dragons! For readers with a heart for adventure. Excerpt. Cody put on a brave stance and walked across the intervening gap. He was now standing face to face with a real live dragon. Again he felt he had been lied to for the dragons of myth and legend were real. The proof of it was standing directly before him looking him right in the eye. Cody looked back at the Elder. The old man simply held up his right hand. Then Cody remembered he was to touch the side of the dragon's face. He turned back to face the creature and lifted up his hand and gently touched its face. Before he could think of what to do next a loud and very clear thought burst into his consciousness. I am told you are not to blame. it simply said. I, I, I...
