Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

Tate Publishing Enterprises, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. I want to make it clear that this book is not about me and not about you who is reading it. Rather, it is about we as human beings and how we connect with each other in relation to how we connect with ourselves every day we live. If you choose to read further into this book, you need to use your imagination and not be afraid to probe your inner self and your connection with your humanity, your soul, and all living species everywhere on this planet we call Earth. *** My observation is that our humanity goes far beyond rudimentary intellect and brings us to a higher level of consciousness that we sometimes choose to ignore. We are so afraid to accept that our emotions and feelings provide a path to an energy that needs no explanation of validation. This energy has always existed and will always exist. We choose in many instances to stifle our emotions and keep them in check because we are fearful of discovering how we are connected more to one another than we are to ourselves. Therefore the realization that every human being in every corner of the globe is connected by a telepathic energy that brings us in together rationalizing our existence. I often question what human gene makes us believe that any lives lost outside of natural causes, perpetrated by violence and destruction, would bring us in touch with our humanity. Again, I caution you to not use any judgment in these questions that I am putting before you. I am asking you to reflect on the questions and statements I am making and take this...
