

Many students are not as aware as they need to be about how they study and learn. The Learning and Study Strategies Inventory (LASSI) is designed to help you identify or expand that awareness so you can be more successful in college.

The LASSI helps you assess your strengths and weaknesses in eight different areas related to being a strategic and successful learner in college. Research has shown that such of these areas is important for succeeding in higher education.

## Book Review

Comprehensive guideline for book lovers. It can be filled with knowledge and wisdom I realized this publication from my dad and i suggested this pdf to find out.
