Memories of the Ocean

By S. Osborn

iUniverse. Paperback. Book Condition: New. Paperback. 150 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. At once startling and gently loving, Truth sprays from the authors soul via these poems as though from an immanent spiritual geyser. Nature and science resolve one another in peace, and cosmic mysteries such as reincarnation, life after death, and the path to the Creator find solutions, not as second hand recollections but as actual experiences. Never again need the reader wonder if the Divine is deaf and blind to mortal suffering and the plight of the human condition. Rest assured in this poetry that one of the many hands of God is reaching out to you, beckoning to you to recall your infinite nature as Spirit: The sea, the metaphor of the Formless Force, the hint dropper of entropy's death to come, carried with the child upon the land, wielded as the sword of light, witnesses the Observer on the cliff the emergence of entropy, lifelong friend of Life, heralding victory over matterthe anti-attenuation mechanism, the negation of heat loss, and savior of the children of the earth, born of the seawhere all space present in the salt sea drop; all time contained in the momentintropy,...
