Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Why America Fights Germany (Cantonment: Edition) America is a peaceable nation. We believe in the principle of live and let live. We respect other nations rights, wish them prosperity, and envy them nothing. We have vast territory and undeveloped resources, enough to occupy our minds and hands for generations without meddling with other people's concerns. We believe that the peace and happiness of mankind will be promoted by self-government for all, by allowing the population of each civilized country to govern itself. Through almost our whole history we have stood for democracy and peace. We have protected China from robbery and war on the part of more greedy nations, and have stood the strongest friend of the new Chinese republic. In 1896 we stood the friend of Venezuela in her controversy with Great Britain, and prevented war. For years we have even allowed our own citizens to be wronged in Mexico rather than make war on our neighbor republic. Consequently, we are now trusted as the big brother of all the republics in the...

Reviews

A top quality ebook and the typeface used was interesting to learn. This can be for all who state that there had not been a well worth reading through. I am just pleased to tell you that this is basically the very best ebook I actually have gone through in my individual life and can be the finest book for at any time.
