Sharon Chandler knows the many challenges that parents face today. With no college education herself, she instilled the old-fashioned values of respect, hard work, and academic focus in her two children-both of whom went on to attend prestigious graduate schools. Chandler now teaches hundreds of parents every year to prepare their children for college through her non-profit Yes2College Education Resources, Inc. This book reveals the practical, proven methods behind Chandler's belief that any hard-working student can attend college-regardless of family background or income. *Say Yes to College* shows parents how to: - Lay a foundation of excellence through love of learning and respect for authority - Combat peer pressure and pop culture images - Work with teachers, guidance counselors and others - Mind a child's emotional health and academic development - Pick the right college - Tackle the SATs and college admissions process - Find support along the way *Say Yes to College* presents a winning combination of traditional tough love and hard-won knowledge that will help parents empower their children for a lifetime of success.
