HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, Moonlight Over Paris: A Novel, Jennifer Robson, An aristocratic young woman leaves the sheltered world of London to find adventure, passion, and independence in 1920s Paris in this mesmerizing story from the USA Today and internationally bestselling author of Somewhere in France and After the War is Over. Spring, 1924 Recovering from a broken wartime engagement and a serious illness that left her near death, Lady Helena Montagu-Douglas-Parr vows that for once she will live life on her own terms. Breaking free from the stifling social constraints of the aristocratic society in which she was raised, she travels to France to stay with her free spirited aunt. For one year, she will simply be Miss Parr. She will explore the picturesque streets of Paris, meet people who know nothing of her past-and pursue her dream of becoming an artist. A few years after the Great War's end, the City of Light is a bohemian paradise teeming with actors, painters, writers, and a lively coterie of American expatriates who welcome Helena into their romantic and exciting circle. Among them is Sam Howard, an irascible and infuriatingly honest correspondent for the Chicago Tribune. Dangerously attractive and deeply scarred by the horror and carnage of the war, Sam is unlike any man she has ever encountered. He calls her Ellie, sees her as no one has before, and offers her a glimpse of a future that is both irresistible and impossible. As Paris rises phoenix-like from the ashes of the Great War, so too does Helena. Though she's shed her old self, she's still uncertain of what she will become and where she belongs. But is she strong enough to completely let go of the past and follow her heart, no matter where it...
