Andrews McMeel Publishing, United States, 2014. Hardback. Book Condition: New. 232 x 226 mm. Language: English . Brand New Book. Dilberthas become a hugely successful strip because Adams feels your pain. How? Because this former employee of a major telecommunications company has been there. He s seen the road to failure first-hand. And he knows that to successfully navigate the ludicrous world of business, you can t expect common sense to prevail, you need to keep a sense of humour, and above all, you must always be ready to blame the other guy. The strip s enormous popularity stems from the fact that its millions of readers easily identify with the crazy plots and wacky characters found within the corporate environment. Sure, most companies don t have a bespectacled engineer with a tie permanently curled up, a cynical talking dog, and a manager with two pointy tufts of hair. But it s the outrageous things Dilbertcharacters do and say that leave readers knowingly nodding their heads and, of course, laughing uproariously. The antics of Dilbert s cast are based not only on Adams s own corporate experiences, but on the numerous e-mails he receives each day about the office dramas of his devoted fans.
