Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Four years ago Byron Shales was a manager for a department store. Now he hunts down and captures the newly zombie-fied dead, and resells them at auction to the highest bidder. What his buyers do with them after the sale is finalized is none of his business, and frankly he couldn't care less. His beliefs and apathy come to a sickening halt when he elects to keep one young woman for himself, and discovers that all his pre-conceived notions about these non-living creatures have been a lie. In fact, the truth about Rothsburg's Disease may be more horrifying than the flesh-eating creatures it infects.
