IVP Academic, United States, 2014. Hardback. Book Condition: New. 231 x 160 mm. Language: English . Brand New Book. Following the successful Hope-Focused Marriage Counseling, Jennifer Ripley and Everett Worthington Jr. have written a new book that expands upon their previous theoretical approach while describing in detail new practical interventions for couple counseling and enrichment. Weaving together classic cases outlined in Hope-Focused Marriage Counseling and over 75 brand new practical interventions, Ripley and Worthington root their practical examples in an even deeper theoretical framework and research in attachment and intimate bonds. Written with the couple counselor in mind, this book occupies a rare niche that is accessible not only to therapists and counselors but also to pastors and married couples alike. Both licensed clinical psychologists and experienced counselors, the authors base this follow-up work on the pillars of their Hope-Focused Couples Approach. The assessment tools included help facilitate improved marriages in many settings, and the combination of theory and real-life case studies easily integrates into the practices of professional counselors and researchers as well as into the lives of couples. Instructor Resources for classroom use include activities, video demonstrations of the authors in couples therapy, audio lectures, testbank, chapter summaries and a sample syllabus.
