As one of the top Assistant US Attorneys in the country, Savannah Walker is smart, ambitious, and she doesn't back down from a challenge, unless it comes in the form of Noah Johnson. Savannah's been in love with her best friend's brother longer than she cares to admit, but risking their friendship isn't on her to-do list. When building a case against a drug trafficker, she's assigned to a DEA task force led by the one man she can't shake. She has no idea if this case will bring them together or tear them apart. DEA, Noah Johnson, risks his life every day. With a world filled with blood and bullets, he's unwilling to chance Savannah's life. Keeping her at bay for years, Noah has forced himself to never cross that line, but lately, he can't get her out of his head. When an investigation into a drug trafficker reveals a mole in Savannah's office, Noah will do whatever it takes to keep her safe. When danger lurks around every corner and passions are riding high, not even Savannah or Noah know if they're ready for admission.
