The books that were published since 1992. aims to provide text reference and theoretical studies of Chinese contemporary art work opportunities. SYNOPSIS: Since the 1980s. under the influence of a large background of contemporary Western academic disciplines of Western art history there have been some new changes. This is mainly in three aspects: the study of art history is no longer limited to the high art. and extended to the vulgar art; scope of the study of the history of art is no longer limited to the Western art. but extended to non-Western art; art history research methods are not longer limited to the theories and methods of the discipline. and expanded to absorb some of the other humanities methods and theoretical system. such as hermeneutics. semiotics. feminism and so on. This means that traditional art history studies will be the end of a pan-culturalism new art history is taking shape. The book compiled Changning Health: a member of the Chinese Artists' Association. was born in Nanjing in 1955. 1984. admitted to the Nanjing Institute of Arts in History in 1987 and a master's degree in art history. graduating in 1991. and a...
